An immaculately kept, family-run hotel boasting great facilities and direct access to Santa Maria's golden beach, it's no surprise that Hotel Morabeza continues to be voted the top hotel by our guests. An ideal choice for both couples and families alike, the hotel boasts extensive and colourful well-kept grounds, attentive staff and several à la carte dining experiences, which all add up to create a superb, all-round holiday.

'Morabeza', locally translated as 'hospitality', describes this hotel perfectly, and it's constantly reinforced by its glowing reputation and the fact it's the longest established hotel on the island. A popular pastime for guests is to make good use of the Aquarius beach bar, where you can enjoy a tasty seafood lunch and sip on a refreshing caipirinha cocktail, all whilst soaking up the sunshine and looking out across the bay – what a wonderful way to spend an afternoon!

Plus, for families, the two pools and variety of on-site activities such as mini-golf, archery and tennis are great fun for all ages.

The guest rooms at Morabeza are spacious, and decorated using neutral tones to create a relaxing ambience. This also extends throughout the grounds, and with three pools, even during peak season you won't struggle to find yourself a sunlounger to relax on and get lost in a good book.

OUR GUEST'S OPINION...

“We had the most wonderful holiday, so much so that we have decided to go back for 12 days in November when we will do a bit of island hopping! Hotel was fabulous, staff brilliant, ambience superb, beach to die for, weather perfect - what more can I say!”

WHAT WE LOVE

- The hotel's beach club situated on Santa Maria Beach; the location is second to none with stunning vistas across the sand.

GOOD TO KNOW

- Don't leave it to the last minute – this hotel is very popular and sells out quickly, especially the Executive area. Book early to avoid disappointment!
- There's a local charge for beach sunloungers if staying on B&B basis.
- Bon Appetit board basis provides you with breakfast each day of your stay plus three evening meals included in each seven-night stay. These meals must be taken on set nights and cannot be changed.

Holidaying adults-only with Morabeza's Executive rooms and suites

Although Morabeza is a fantastic choice for holidaying families, it's also nice to have the option to escape to total peace and tranquillity, which is where the Executive rooms and suites are the perfect fit.

Exclusively available to the UK market through Cape Verde Experience, this separate accommodation is graced with access to an adults-only pool, which the guest rooms are conveniently located around. Plus, all the rooms and suites are located sea side, offering wonderful vistas towards the beach and ocean.

Decorated using the same soft neutral tones of the hotel's other guest rooms, Executive rooms are larger in size and sleep two adults, and the suites are more than double the size again at a massive 80m², with a separate living area and dressing room. These make the ideal choice for a couple looking to indulge in a more luxurious beach holiday, especially as they are located on the first floor, so you can enjoy a pre-dinner drink on your private balcony, whilst enjoying views to the sea.

Our recommendation: Demand for these room types is very high, and they often sell out. We highly recommend you book early to avoid disappointment.
