

WHAT WE LOVE

- The beachfront location – the beautiful sands of Santa Maria Beach, along with plenty of sunbeds are literally on your doorstep.
- The proximity to Santa Maria – sample a growing variety of shops, bars and restaurants.

GOOD TO KNOW

- Garden view rooms can be located on a 'lower ground' level, with steps leading up to ground level. If you want to ensure you're not located here, upgrade to the side sea view rooms.
- Although an all-inclusive resort – it's also possible to book on B&B if you'd prefer.
