A charming, seafront property in the small town of Sal Rei, Orquidea Guest House is best described as a tropical paradise. An intimate property with just a handful of simple, comfortable guest rooms, the hotel grounds are bursting with a variety of palm trees and beautifully bright flowers, offering a secluded and paradisiacal atmosphere. The small courtyard where breakfast is served is also home to flourishing banana trees, all of which add to Orquidea's overall Cape Verdean charm.

A short stroll will take you into the centre of Sal Rei, Boa Vista's capital, where unlike other capitals, there's just a handful of local bars and restaurants. Finally, not forgetting the glorious stretch of beach just in front of your hotel, where a sandy golden bay awaits.

Orquidea Guest House is a perfect choice away from the larger resorts, where you can achieve total relaxation in intimate, beautiful surroundings.
