Bergerie Murtetu

STYLISH VILLA | SPECTACULAR SETTING | BREATHTAKING VIEWS

Named after the myrtle that grows wildly in the area and perched on the mountainside just below the village of Olmeto, Murtetu is a stylishly presented bergerie commanding spectacular views over the Valinco Gulf. Set amongst perfumed maquis and ancient olive trees, the gardens enjoy privacy and seclusion whilst also offering some of the most stunning views across Propriano and the sea beyond.

Air-conditioned throughout and more spacious than its neighbouring property Olivella, Bergerie Murtetu is well equipped with all the modern conveniences you would expect to find in a villa of this quality. The interior is tastefully arranged in a typical Corsican style with rich warming colours and personal touches adorning the rooms, and large patio doors open out

onto the garden area. Outside, the southwest facing terrace offers the perfect setting to watch the sunset whilst enjoying a glass of local wine, and set below the house, the private pool area provides an ideal suntrap in a fabulous setting.

The quaint village of Olmeto is only 3km away with its typical Corsican shops, and for beach lovers there is a number of quiet sandy coves only a 15-minute drive away. Perfect for a relaxing holiday, Bergerie Murtetu offers the ideal blend of country living, beautiful beaches and quality accommodation.
