

Bergerie Tisoggiu

SPECTACULAR VIEWS | CHARACTER STONE HOUSE | PRIVATE POOL

Just a short drive from the seaside town of Propriano, Bergerie Tisoggiu is certainly a gem. Reached by a steep track and perched high on top of a hill, the house has a wild garden to one side and perhaps the most impressive 'bird's eye' view in our collection to the other.

Arranged with style and extended from a traditional shepherd's house, the owner has ensured that the modern additions contrast with the original rustic feel making for a comfortable holiday. Bergerie Tisoggiu has a spacious modern living room with sliding picture windows that lead to a terrace with a dramatic view down the hillside to the Valinco Gulf, and a kitchen/dining

room with access to a second terrace with the same panoramic setting. Set in the old part of the house, one of the bedrooms has a great view to wake up to and is reached through an original very low doorway. The second bedroom has a more modern feel with French windows leading out to the garden.

Our guests do comment that the scenery from the terraces is difficult to tear yourself away from and the mountain panorama from the raised pool is simply sublime. A firm favourite with our guests and a truly unforgettable property.
