

## Casa Mia

EXCELLENT MOUNTAIN RETREAT | PRIVATE JACUZZI | FABULOUS VIEWS

Poised in a spectacular spot, surveying the entire Gulf of Porto Vecchio and miles of ruggedly beautiful island landscape, Casa Mia provides the perfect escape for an invigorating break in the mountains.

It's located on the edge of l'Ospedale, a traditional hillside village and is 20-25 minutes' drive from Porto Vecchio. Make the most of this wonderful region and discover some of the best kept secrets of Corsica: a walk to Punta di a Vacca Morta will reward you with jaw-dropping views encompassing the entire Extrême Sud coastline, the majestic needles of Bavella and the Valinco Gulf; whilst the walks to Piscia di Gallo, Polischellu and Purcaraccia offer something of a paradise with a series of emerald-green rock pools and picture-postcard waterfalls.

Return to Casa Mia after a day exploring where you will immediately feel at home – the accommodation is comfortable and stylishly arranged with a number of personal touches and a soft palette of colours for a calming effect.

The house's exterior features a superb summer kitchen as well as private Jacuzzi offering the perfect venue to end the day in style, watch the sun go down and completely unwind. This little retreat is ideal for those looking to slow the pace and enjoy the delights of Porto Vecchio's majestic hinterland.
