

## Casa di Padula

A FABULOUS MIX OF AUTHENTIC AND MODERN | THE PERFECT 'AWAY FROM IT ALL' VILLA

Situated amid the natural splendour of the Conca d'Oro and accessed along a 2km unmade road through the countryside, Casa di Padula is a fabulous hideaway property. Mountain landscapes and verdant rolling hillsides encompass the villa's identity as a serene and very private retreat, and the location is ideal for exploring the beauty and beaches of Cap Corse, the nearby hilltop village of Oletta and the pretty and charming port town of St Florent.

The villa showcases traditional and modern influences in both its exterior and interior, giving the property a sense of heritage, while never falling short when it comes to modern day comforts and amenities. Set on one level, the heart of Casa di

Padula is presented in the form of a spacious and airy open-plan living and dining area, complete with flat screen television, an impressive stone fireplace and with access to two outdoor dining areas, one with a barbecue. Adjacent to the living area is a well-equipped kitchen which blends well with the villa's dining area and there are two spacious double bedrooms with en-suite facilities.

Guests will also benefit from Casa di Padula's inviting swimming pool, while an outdoor terrace serves as the perfect setting for an evening meal, surrounded by the awe-inspiring countryside of the region.
