

## U Mulinu

AN AUTHENTIC CONVERTED FLOUR MILL | PERFECT FOR NATURE LOVERS

Nestling in the undiscovered region of the Casinca just south of Bastia, U Mulinu is a charming renovated flour mill dating back to the 18th century. The property sits in fabulous surroundings of expansive vineyards and fruit orchards and is situated alongside a small stream offering a truly enchanting setting and a wonderfully peaceful location. You might see the occasional wild goat or friendly donkey wandering in the grounds at times, making U Mulinu the perfect pick for nature lovers seeking tranquillity and Corsican authenticity.

As for the accommodation, it is simply furnished yet cosy and full of character. Downstairs, there is a living/dining room and a rustic-style kitchen with access to a fantastic outdoor dining area complete with a built-in barbecue. A spiral staircase leads to the first floor, which houses

three bedrooms and a shower room. From here, you can reach another shaded terrace sitting at the back of the property and equipped with a bar area and a water feature.

Finally, the swimming pool area is simply sublime – basking in the sun all day long, it affords dramatic views across the perched village of Penta-di-Casinca. U Mulinu provides ample corners in which to relax, and is ideal for those wanting to take part in typical Mediterranean al fresco living.

*This property is considered unsuitable for young children due to the steep spiral staircase and some unguarded drops in the gardens and by the stream.*
