ULTRA-MODERN | TOP-NOTCH FACILITIES | CLOSE TO SANTA GIULIA BEACH

Villa 18 is a state-of-the-art luxury villa combining striking open-plan interiors, outstanding facilities and a beautiful swimming pool – all within a 10-minute drive from Santa Giulia beach.

Recently built and creatively designed by the sought-after architect Jacques Biancarelli, Villa 18 is impressive by any standard. With a mix of contemporary and cutting-edge architecture, this ultra-modern villa offers just about everything – from floor-to-ceiling glass windows and soft tones for a relaxing and content atmosphere, to a fabulous kitchen and large cinema creating a superb space for entertaining. The rooms are clean, spacious and minimalist in style yet the emphasis is entirely on the comfort of the guests. The villa is ideal for large groups and families; all five bedrooms come with their own en-suite

facilities and two of the bedrooms can be made up as a twin or a double for total flexibility.

Outside, the heated swimming pool and large terraces have views to the olive and oak tree-filled gardens, perfect for those long lazy afternoons taking in the Corsican sunshine and for relaxed barbecue dinners. There is also ample space for the children to splash in the 10-metre pool and enjoy the grounds in complete safety.
