

Villa A Machja

BRIGHT AND AIRY | HIGH ON THE FROMENTICA HILLSIDE | IMPRESSIVE VIEWS

One of several properties we feature on the Fromentica hillside, Villa A Machja is comfortably furnished and ideal for holidays in the sun. With lavender blue shutters, this attractive Provençal-style villa is set in a privileged position on the hillside just above St Florent with staggering views of the bay below.

Like many houses designed with holiday living in mind, Villa A Machja has an integrated living room and kitchen for a convivial social space and the interiors are simply decorated for an airy and uncluttered vibe. The main living room has

two sets of large sliding doors leading out onto a covered, summer dining terrace and beyond this the fabulous pool area. You can while away the hours reading and relaxing here; the postcard-perfect setting will provide you with an immense sense of calm as well as superb views across the St Florent bay and the dramatic Désert des Agriates.

St Florent is only a 5-minute drive away with its little shops, quayside restaurants and boat trip opportunities to Saleccia and Loto beaches.

*"We loved the location and the stunning views across the bay.
The villa is light and airy and there are plenty of places to sit in sun or shade."*
