

## Villa Bicu Rossu

CHARMING AND POPULAR PROPERTY | STUNNING MOUNTAIN VIEWS

Located peacefully between the delightful towns of Porto Vecchio and Bonifacio, Villa Bicu Rossu provides a great location from which to explore Corsica's southern coast.

The property is set in beautiful olive woodland with dramatic views of the surrounding mountains. Situated in the same grounds as Casa di l'Olivu and Casa di Pruno (pages 116-117), each villa still affords a sense of privacy. With its own private pool and summer kitchen onsite, the grounds are perfect for children to explore whilst the adults relax and unwind.

Mixing a modern style with aspects of a traditional Corsican bergerie, the villa is tastefully designed with wooden beams throughout and elegant tiling as well as having air-conditioning,

Wi-Fi, television and a DVD player. Comfortably furnished and set on two levels, the villa comprises a well-equipped, open-plan kitchen/living area on the first floor and two spacious bedrooms with a modern shower room on the ground floor.

The stunning beaches of Palombaggia are only 20 minutes' drive away and, for the more intrepid, the secluded coves surrounding Figari and Bonifacio are a similar distance away. Again after only a short drive, a wide range of restaurants can be found in the town of Porto Vecchio or the bustling harbour of Bonifacio. Perfect for those wanting to enjoy both beaches and mountains, Villa Bicu Rossu is a real find for families or couples alike.

“Everything necessary for a self-catering holiday was in the villa. The barbecue and pool areas were idyllic.”
