

Villa Davia

SUPERB CONTEMPORARY VILLA | BEAUTIFUL VIEWS ALONG THE COAST

Positioned right on the sea in the private estate of Marine de Davia, this property has recently been transformed by its owners and the result is a villa of the highest quality in one of Corsica's most privileged locations. Villa Davia has been entirely designed around holidays and outdoor living, and allows guests to drink in the fabulous views along the coast from the pool or the patio. On calm days, it is possible to walk down to the rocks below the villa for a spot of snorkelling, or for those with a head for heights you can even climb the steps to the roof terrace to sunbathe or take in the famous Corsican sunset over an apéritif.

Inside, the villa has been furnished to a very high standard, with spacious en-suite and air-conditioned bedrooms, a smart kitchen

equipped with the latest appliances, a huge open-plan lounge and dining room looking out to sea and there is even a bar for fixing your favourite tittle.

The discreet and desirable setting makes this villa a great place to spend a holiday with family or friends, and although care must be taken with drops throughout the property and an unguarded access to the sea below the villa, it is sure to prove a popular choice and early booking is advisable.

Not recommended for children under 8 years old.
