

Villa Delphine

ONE OF OUR MOST LUXURIOUS VILLAS | IN A PRIVILEGED LOCATION BY THE SEA

A truly high-class property, Villa Delphine exudes superb taste and style that do justice to the owners José and Ginette's attention to detail and quality. Spacious and thoughtfully furnished with great care, it is extremely comfortable, well equipped and air-conditioned throughout, providing all the modern conveniences you would expect to find in a house of this calibre.

The master bedroom dominates the upper floor with its indoor plunge pool (care to be taken with small children) and large decked sun terrace with views out over the bay, complemented with an abundance of sunloungers. On the ground floor there are a further three bedrooms, all with en-suite facilities, adjoining the large lounge area which links with a covered veranda, offering shade throughout the day

to the front of the house and the sunny pool terrace. The infinity swimming pool, surrounded by Mediterranean flowers, is set in lawned gardens which slope gently down to a footpath that leads to the beach.

José and Ginette have created a superb home entertainment room on the lower ground floor which includes a widescreen television and DVD player, as well as a plasma television with satellite channels in the main living area and further televisions in all bedrooms. For your added comfort there is a daily cleaning service included, providing the ideal opportunity to completely relax and unwind.
