

Villa Mimosa

CONVERTED CORSICAN FARMHOUSE | LARGE PRIVATE POOL | PERFECT FOR FAMILIES

Set in the countryside of the Regino valley below the village of Monticello and just a short drive from the beaches of L'Île Rousse and Lozari, Villa Mimosa has been sympathetically designed with a rustic theme and neutral undertones to reflect the local architecture. Well-equipped and unfussy in style, it's the ideal place to retreat to the Corsican hinterland and is a great-value-for-money property.

The main villa has a spacious open-plan living and dining room with French doors opening out to a large sunny terrace and barbecue area, a good kitchen and three bedrooms. The annexe house which comprises two further bedrooms and a simple living / kitchen area can be added at a supplement, ideal if you need to accommodate larger parties or for extended families wishing to holiday together.

The main focus here though is the garden – replete with Mediterranean plants, large private pool and plenty of sunloungers, the place feels wonderfully secluded. It's also the perfect location from which to explore the foothills of la Balagne with its network of hiking paths and scenic drives taking you from village to village, or the fabulous coastline with its string of beaches and charming old towns.
