AT A GLANCE

- Beautifully restored house
- Walking distance from St Florent
- Private pool
- Large terrace and gardens
- Bicycles available for use

A firm favourite with returning guests, this superbly refurbished old stone house sits on the outskirts of St Florent and a short walk from Cathédrale du Nebbio, one of the most visited monuments on the island.

The house is spacious and airy, with modern furniture and antique style decorations giving the house comfort and a contemporary French style whilst still reflecting La Citaj's authenticity.

Although not recommended for families with younger children due to the steep internal staircases, the location is ideal for walking to the centre of St Florent with its restaurants and elegant marina that buzz with life in the height of summer.
