An elegant all-inclusive hotel set between the lagoon of La Somone and a white sandy beach, this resort promises holidaymakers a memorable and fun-filled break in Senegal.

Set within tropical gardens, this beautiful resort offers its guests the choice to spend their days unwinding by the one of the two pools or getting involved in more active pursuits, such as aqua aerobics, windsurfing or even scuba diving lessons. The guest rooms can be found in the main building and dotted around the grounds, some boasting wonderful ocean views, but all enjoying traditional African décor and a great variety of facilities. During the evenings, it's time to enjoy an aperitif whilst watching the sun set before sampling the fantastic mixed cuisine, with a choice of two restaurants on offer.

Although rest and relaxation are easily achieved at the Royal Horizon, there's also the opportunity to head to the lagoon in search of some 150 species of bird. With flamingos and pelicans commonly sighted, it's a wonderful opportunity for both keen twitchers and those new to birdwatching to enjoy the local wildlife.
