Located on the serene white sands of Varca, arguably one of the best stretches of beach in the state, the Caravela Beach Resort offers the perfect place for holidaymakers to relax and enjoy a second-to-none Goan beach break.

Formerly known as the Ramada Caravela, this well-established hotel is surrounded by 24 acres of beautifully landscaped gardens, filled with palms and lush lawns, where guests can enjoy activities such as yoga, tennis and golf.

Guests can choose to while away the hours soaking up the hot Indian sunshine on the sun terraces, or relax and rejuvenate in the Ayurvedic spa – the Caravela offers something for everyone.

Surrounding the pool area, the comfortable and spacious guest rooms are elegantly designed, well equipped, and enjoy views over the grounds from a balcony or terrace.

The Caravela offers an extensive range of dining options. We recommend dining à la carte on Pan-Asian cuisine at the Carnival Restaurant, and enjoying exotic cocktails on the beach at the Sunset Bar – you won't be disappointed.
