

Casa Rosa

TRADITIONAL SARDINIAN HOUSE | CLOSE TO THE BEACH

Casa Rosa has become a favourite with our guests due to its fantastic location by the beach, in the popular seaside town of Cannigione. The house appeals to both families and couples thanks not only to its position, but also the beautiful garden and spacious accommodation.

The main living area, kitchenette and twin bedroom are arranged on the ground floor whilst the two double bedrooms sit on the upper floor, each with its own balcony looking over the garden and the sea. There is a lovely outdoor patio area complete with a large dining table, making al fresco meals an enjoyable experience. If you wish to dine out, there are numerous restaurants within easy reach.

Casa Rosa is set within a residential area of Cannigione with a small sandy beach located just

across the road from the house and two larger beaches within walking distance. Cannigione is a popular tourist resort with a good quota of trattorie, shops and local markets lining the port; it is bustling with life and offers more traditional Sardinian character than some of the nearby resorts. Casa Rosa is a great base for a perfect summer holiday by the beach.

“The location was excellent, the villa spacious and clean. The owner was so helpful.”
