

Apartment Rosa

CHARACTER APARTMENT | IN THE OLD TOWN OF ALGHERO

Apartment Rosa is a one bedroom character apartment located directly below Apartment Storico and set in the heart of Alghero's ancient quarter. Between Piazza Ginnasio and the bastion Cristoforo Colombo, the apartment is ideally located with bustling restaurants, bars and shops, historic squares and charming narrow streets only a short walk away. Alghero's long white sandy beach is also nearby and offers a variety of water sports for those seeking a more active holiday.

The interior is stylishly decorated, mixing classic yet contemporary décor with light stone walls, dark wood and chic Italian tiles. Tastefully furnished, it comprises a living/dining room, well-equipped kitchen area, double bedroom and shower room giving ample space for a couple. Apartment Rosa is ideal for those seeking a central location in a comfortable setting. With so much on your doorstep it's also a great location for guests who prefer not to drive, but if you wish to explore the island further afield with a hired car, public parking can be found a few hundred metres away.

"The apartment exceeds your description of it very comfortable and right in amongst everything, highly recommended."
