Nestled in a corner between two fine sandy beaches, Hotel Gabbiano Azzurro is surrounded by crystal-clear, shallow waters with stunning views out over the bay and across the coastline on one side, while having direct access to a narrow stretch of gently shelving beach on the other. One of the region's first hotels, its long standing staff members offer a genuine warmth and friendliness which adds to Gabbiano Azzurro's relaxed and welcoming feel.

Modern white furnishings and shades of pale blue provide a light and airy seaside ambience within the spacious reception areas. These open out onto sunny terraces and a pool area from which there's ample seating to admire the sea view. All the bedrooms are comfortably furnished and

each has a balcony overlooking the sea, beach or village. High quality and beautifully presented cuisine is available from the hotel's two main restaurants, enjoying views across the beach.

A short pathway leads to a private area of the beach, equipped with sunbeds and parasols and for the active there's a number of water sports and boat excursions close to hand.
