Villa Girolia offers high quality accommodation overlooking the Gulf of Cannigione. This semi-detached property, cooled by the sea breeze, boasts beautiful views, excellent outside space and beautifully kept gardens, and is just a short five-minute drive away from the bars, restaurants and shops of the lively summer resort of Baja Sardinia and some of Sardinia's finest beaches.

The villa is set on two floors and is decorated in a traditional Sardinian fashion. The upper floor consists of three air-conditioned bedrooms – a double with en-suite and two twins – a large open-plan living/dining area (also air-conditioned) and a fully equipped kitchen. These open out onto a beautifully cool balcony that overlooks the

pool and affords gorgeous views of the hillside and the ocean beyond. The lower floor is accessed by a set of exterior stone steps and houses an air-conditioned self-contained apartment with an en-suite double bedroom, a small living area and a well-equipped kitchen space. The apartment opens onto a terrace adjoining the pool complete with a large dining table.

One of the highlights of staying at this property will be enjoying the fabulous pool area, with shaded gazebo and stunning views over the gulf. The gardens are beautifully maintained and set over different levels where you'll find large lawned areas, colourful bougainvillea and the outdoor kitchen all set to the backdrop of those impressive views.
