Casa Cristiana

CAR HIRE INCLUDED | A CONVERTED 17TH-CENTURY MONASTERY | GREAT VIEWS

The interior of this former monastery is striking and unique – set on four floors, it combines an understated elegance with an almost gothic grandeur. The lounge area has tiled floors and wooden furniture; the first floor bedroom has a circular bed; the second floor houses three bedrooms all with great views of the gardens and countryside; the fifth bedroom can be found in the top of the old tower. The roof terrace affords spectacular views across Capo Caccia as well as fabulous sunsets.

Outside, a large shaded terrace and barbecue area hugs the front of the property. This opens out into the wider gardens, with berried myrtle bushes and blooming oleanders everywhere, and the air is filled with the scent of rosemary and lavender.
