

Casa Stefania

2-3 BEDROOM VILLA | SLEEPS 4-6 | CAR HIRE INCLUDED

Set within a group of six properties and close to beautiful beaches, Casa Stefania is a comfortable family home and an ideal choice for exploring the south coast.

Created on three floors, the main bedrooms are upstairs and enjoy sweeping views of the countryside and coastline. The third and largest level of the house is actually below ground, housing the main living area – perfect for escaping the heat of the day.

"The best equipped and maintained villa that we have stayed in so far. Comfortable, impeccable cleanliness, plenty of outdoor furniture and a lovely garden. The very pretty and quiet beach is just a short walk away."
