

Villa Montemoro

3 BEDROOM VILLA | SLEEPS 6 | CAR HIRE INCLUDED

Situated at the end of an unmade country lane, Villa Montemoro occupies a thrilling vantage point and some of the finest sea views in our collection.

The terrace and pool area will no doubt be the main focal point of your stay, but the inside of the property has been arranged in a traditional style, offering a homely feel and all set on one level.

"The location was absolutely stunning with 360-degree views of the coastline and the surrounding islands. Lovely outdoor seating and canopy area for when the sun is at its hottest and a beautiful ambience at night – watching the sunset was a sight not to be missed!"
