AT A GLANCE

- Four countryside villas
- Tranquil setting
- Large shared swimming pool
- Attractive gardens

Consisting of four separate villas sharing a large pool, Villas Santa Caterina are found in a peaceful, rural setting with beautiful beaches within easy reach by car. Villetta Lalinda, Villetta Larabella, Casina Dolinda and Casetta Fiordaliso are perfect for couples or families seeking a holiday 'away from it all' and boast a distinctive homely feel, each with individual style. The close proximity of each villa makes this the ideal choice for multiple families wishing to holiday together, while still having their own space.

The gardens are filled with an abundance of Mediterranean plants and flowers and are surrounded by vineyards, giving the whole setting an air of seclusion and tranquillity. The villas also share a tennis court and choice of terraces and hideaways under the shade of trees.
