

Hotel Principe di Villafranca 4★

IN THE HISTORIC CENTRE OF PALERMO | BOUTIQUE PROPERTY | CITY BREAKS

The Principe di Villafranca is a friendly boutique-style city hotel, notable for its clean, contemporary style and its fantastic location in the historic heart of the old city of Palermo.

The hotel has a chic, modern feel with many personal touches, including original paintings by local artists, giving a real sense of intimacy. The 32 bedrooms are thoughtfully designed with signature beds, wooden floors and comfortable furnishings.

There is also a readily accessible library and reading room, which adds a studious feel, and a fitness room and a private garage – all features that make the Villafranca perfect for a city holiday.

The hotel's restaurant, Il Principe e l'Oste, serves a mixture of contemporary and Sicilian cuisine, and there is a refined bar and lounge area where you can relax and enjoy a pre-dinner apéritif after a day of sightseeing.

There are of course an abundance of fabulous restaurants in Palermo, many of which are right on your doorstep. You'll also find numerous exclusive boutiques, and the beating heart of the old city just a short distance away. It's a great location from which to explore this quintessential Sicilian city and the many layers of culture and history that make it rightly famous worldwide. Short breaks are also possible.
