**Indemnity form for travel to The Gambia**

I confirm that I have discussed with The Gambia Experience my forthcoming holiday and I accept and understand that there is current, well-known guidance from the UK Government that advises against non-essential travel to The Gambia and they have directed me to this information available at <https://www.gov.uk/foreign-travel-advice/the-gambia>. I have been offered the following options:

- a) Amend my holiday to a future date.
- b) Change to an alternative destination if available.
- c) Cancel with a full refund.

Noting that The Gambia Experience has made their commitment to the welfare and safety of their customers clear to me and recommended against essential travel, I still wish to travel on my booked holiday, and I understand and accept that:

- I agree to check the validity of my own personal travel insurance as this may be compromised if Governmental advice is not to travel at the time of my departure.
- Given the unprecedented, global and ongoing impact of Covid-19 there is a very real chance that some of the services and amenities initially described as being available may not be.
- We are aware of the need to follow health and safety requirements both in the UK and in The Gambia and will comply with them (e.g. Track & Trace, local testing etc...). If it is necessary for myself or any members of my party to quarantine whilst on holiday or on return to the UK, any related costs, including return travel, will not be the responsibility of The Gambia Experience.
- We may be required to quarantine on our return to the UK.
- Should we subsequently decide to cancel our trip due to government advice against all but essential travel, we accept that cancellation charges will apply as per the Terms & Conditions of The Gambia Experience.
- I understand that if there are any changes or cancellations by the airline to my return travel, whilst I am on holiday, I will be responsible for any additional costs.

I also accept and agree that The Gambia Experience will not have any liability to me and/or any person(s) on whose behalf this disclaimer is given, and will not be held responsible for any death, personal injury, loss or damage of any nature which I/we/any of us suffer as a result of the trip unless directly due to the negligence of The Gambia Experience or its employees, suppliers or agents.

This disclaimer and acceptance are given for myself and all persons on my Gambia Experience booking by whom I am authorised to sign. Where any person(s) is/are under 18, I confirm I am their parent or legal guardian:
