BOOK NOW

COVID-19 TESTING

HOME TESTING KITS

- Throat & nasal self-swab home test
- Detects an active COVID-19 Coronavirus infection
- Results returned within 48 hours of your swab sample collection
- Travel certificate included
- Testing completed with a Nomad clinician; supervised via video call

ORDER NOW

IN-CLINIC TESTING

- In-clinic throat & nasal swab test
- Sample collected by a Nomad clinician at select clinic locations
- Detects an active COVID-19 infection
- Express results in up to 48 hours
- Optional travel certificate (£15)
- Higher level of accuracy than home testing options
